**Discovery Bay Ice Rink to Host
2026 ISIAAsia Championship Series (Second Series) –
ISI Hong Kong Invitational 2026 – on 19-21 June**

HONG KONG — Discovery Bay Ice Rink is thrilled to announce the **2026 ISIAAsia Championship Series (Second Series) – ISI Hong Kong Invitational 2026**, taking place **19–21 June 2026** at **DB Ice Rink** in Discovery Bay, Lantau Island. The event will welcome around **250 talented skaters** from **17 teams** representing rinks across Hong Kong, Chinese Mainland, Indonesia, Thailand, and the USA, and competing in more than **550** solo and team events.

DB Ice Rink is honoured to host this Invitational as the only qualifying stop in Hong Kong within the **ISIAAsia Championship Series** – a premier, year-long recreational ice skating competition circuit organised by the Ice Skating Institute Asia (ISIAAsia). The Series connects skaters, coaches, and rinks across the continent by hosting a sequence of qualifying tournaments that lead to a grand finale. Skaters accumulate points based on their participation and placement at designated events throughout the year; those who earn a minimum number of points qualify for the year-end Championship Series Final.

Key Competition Highlights

This year's competition formats are designed to engage skaters across different levels and styles of performance, including:

Rhythmic Skating (19 June) – Ribbons, balls, and hoops come alive on ice, blending skating with musical precision. Watch skaters weave graceful, energetic routines that fuse artistry with rhythm – perfect for dance and music lovers!

Open Freestyle (20 June) – Jumps, spins, connecting moves and gliding maneuvers take centre stage. Skaters perform to music with speed, control and artistry – a must-see for fans of figure skating!

Light Entertainment Spotlight & Production Team (19 - 21 June) – This year's theme for Spotlight and Production Team is "SING & DANCE" - family fun, character performances, themed routines, and team production – pure entertainment for all ages! Expect laughter, heart-warming moments, and creativity that will leave audiences smiling and cheering along.
